

Addendum No. 1

To: All Prospective Bidders

Date: July 17, 2017

Subject: Rivercrest Public Schools, Stadium Project, Wilson, Arkansas.

This Addendum forms a part of the Contract described above. The original Contract Documents and any prior addenda remain in full force and effect except as modified by the following, which shall take precedence over any contract provision in prior documents.

GENERAL CLARIFICATIONS:

1. The Sports Field Lighting Systems shall include bids for the option of an HID (Metal Halide) and LED system. Manufacturers may bid their proprietary systems. If the bid system deviates from the specifications, the manufacturer shall identify all components that differ and provide applicable information for system evaluations and comparisons.
2. The double top rail vinyl coated fencing around the track shall be 42" tall fabric with knuckled selvage both top and bottom. The lower top rail shall be at the top termination of the 42" fabric. The upper top rail shall be placed at a top height of 48".

SPECIFICATIONS:

1. SECTION D-8 BLEACHERS AND PRESS BOX, Part II. PRODUCTS, 2.01 ACCEPTABLE MANUFACTURERS, Paragraph A pages 92 and 100: Southern Bleacher Company contact information is listed on the updated Plan Holders List. Stadium Pros Inc. and Sturdisteel are Approved Manufacturers. Contact information is listed on the updated Plan Holders List.
2. SECTION D-10 SPORTS FIELD LIGHTING SYSTEMS, Part 2.02 Sports Lighting Poles, Paragraph K., page 145: is deleted in its entirety (steps and cages are NOT required).
3. SECTION D-10 SPORTS FIELD LIGHTING SYSTEMS, Part 2.04 HID Lamps, Paragraph B page 146: Lamps manufactured by Phillips are added.

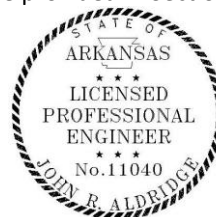

PLANS:

1. SHEETS 2, 3, and 10: The scale listed at the top right of the sheets list the scale to be 1" = 20'. This is incorrect, the scale is 1" = 30'.
2. SHEET 10: Conduits have been added beneath the concrete bleacher pads at both the Home and Visitor Bleachers. Conduit has been added from the Press Box to the Finish Line and beneath the Track at the Finish Line for Timing System (Timing System By Owner). Conduits to be provided and installed within Trade Package No. 9, Site Electrical System.

Acknowledgement to Addendum No. 1 is required in the space provided in Section C: BID of the Specification.
